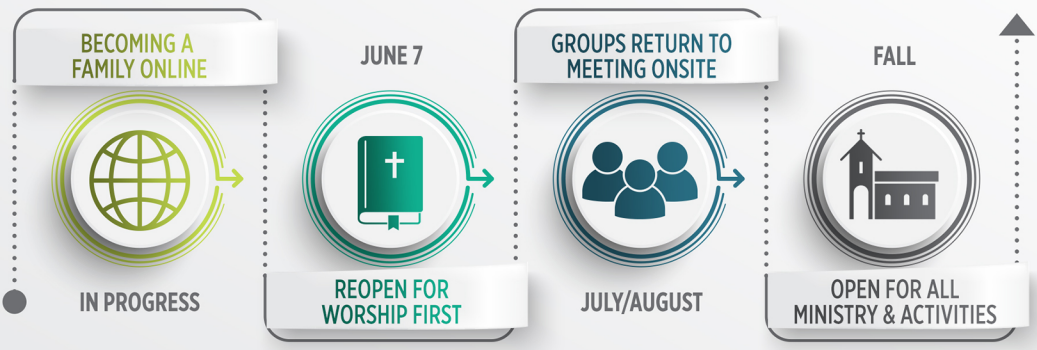
STEPS TO REOPENING UBC

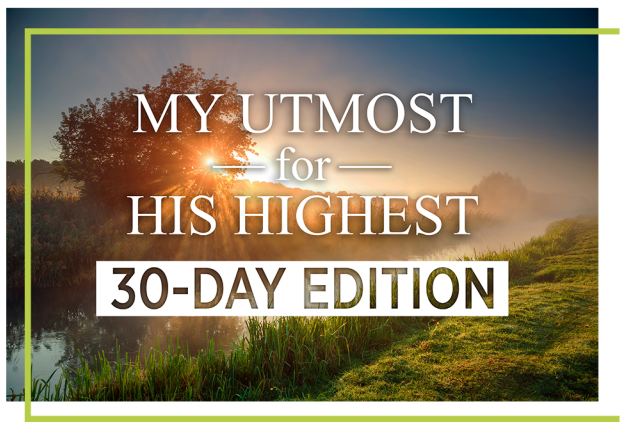


After prayerful consideration, we will reopen our building on June 7 for Worship First.

All UBC groups will continue to meet online until they can safely return to meet onsite. Hopefully, this will be possible during July or August. We anticipate that our building will be fully open for ministry and activities in the fall.

Worship Services will be at 9 am, 11 am, and 5 pm.
UBC en Español will continue to meet online.
All onsite services will be in the Worship Center.
Visit **ubc.org** for more info regarding safety procedures.

Let's Study the Bible Together!



We have started a new daily devotional study, "My Utmost for His Highest" with Oswald Chambers! Similar to the 30-Day Walk with Jesus series, this new series contains a daily Bible reading, a devotion, and a video from staff talking about that day's reading. The study is available using the YouVersion app or online. You can find links to the reading plan and more info on our website, ubc.org and on our social media channels!
