## COVID Protocols Update

In response to current CDC recommendations, if you are fully vaccinated and at least two weeks past your final dose, you will no longer be required to wear a face mask or physically distance at UBC. Children's Ministry and Student Ministry will no longer require masks for kids or students. We encourage those who feel more comfortable wearing a mask to continue to do so. The two outer sections on the floor of the Worship Center will remain socially distanced, but seating in the rest of the WC will return to our normal configuration.

## A Time of Prayer for a Season of Transition

During this transitional time in our church's life, you are invited to participate in a new 3-week prayer emphasis. A prayer guide is now available online at [ubc.org/transition](http://ubc.org/transition) and onsite. Join us as we pray together about the future.
