current worship series

Jesus's Story and Jesus's Style (Acts 2:22-24; Mark 1:14-15; Luke 19:1-10; John 4:4-26)—Giving attention to Jesus's story is obviously an important part of evangelism. If he is the central figure in the good news of what God has done and is doing, then we certainly cannot ignore him in our telling of this news! But we should also pay attention to Jesus's style. His whole ministry was built around proclaiming the gospel, and he did so in a variety of ways. As we consider Jesus's method of sharing, may we be encouraged to know that we are more than capable of being evangelists ourselves.
